### About Swedish Covenant Medical Group

*Our philosophy is simple: We provide the best care when we provide it together.*

Comprised of 180 employed providers—predominantly physicians—Swedish Covenant Medical Group (SCMG) is a multi-specialty group practicing in association with Swedish Covenant Hospital. SCMG provides primary care services and 20 different specialties in one of the most diverse zip codes in the United States. The group operates the Chicago Brain and Spine Institute, Swedish Skin Institute and Swedish Covenant Immediate Care Centers, and has medical education responsibilities. As leaders in their respective fields, our providers use a team approach to develop treatment plans that are tailored to patients' unique needs.

**Swedish Covenant Hospital** has served Chicago's north and northwest communities for more than 130 years. As one of the few independent academic hospitals in Chicago, Swedish Covenant Hospital is proud to offer a unique work environment with the advanced resources providers need to deliver the highest quality care to their patients.
